

The Eastlake Panthers are pleased to announce their 9th year serving children ages 5-15 in the Eastlake Chula Vista area. We are looking for local Sponsors to partner with us and make 2009 the best year ever.

Thank you for considering being a sponsor for the Eastlake Panther Youth Football and Cheer Association. If you are uncertain where your money will go and you are having doubts about contributing...

Here are a few reasons we feel you should invest in our community and our kids.

Scholar Athlete Program- We volunteers strive hard to create a program that not only promotes self esteem, leadership, and team cooperation but also stresses education through our **Scholar Athlete program**. Through this program we teach the importance of education in addition to participating in sports and we reward those kids that are able to succeed at both. **(Your money will go towards rewarding these kids.)**

Hardship Situations- We want every child to have the opportunity to be an Eastlake Panther, and we will not turn away any potential player because of their inability to pay. **(Your money will go towards helping a child play.)**

Safety- Because football and cheer are both contact sports we are always striving to provide the safest equipment we can for our children and these items need to be periodically replaced. **(Your money will go towards purchasing and reconditioning our equipment and gear.)**

Below you will find our 2009 Sponsorship program and the different levels. Please review these levels and decide which Sponsorship fits you or your business best. All donations are tax deductible and no donations are too small. **Your donations will help us achieve our 2009 goals.**
